

My First Book

Student assignments for Zebra

Talk about the assignments in groups or in class.

Before you start reading the book

On which pages do you find Contents and Keywords?

Can you also find the page where it says Read more?

Who wrote the book?

Can you find the answer in the book?

Where do zebras live?

How fast can a zebra run?

What does a zebra eat?

My First Book

While reading the book

Which other animals do zebras look like?

How can you always recognize a zebra?

Which animals do zebras have to watch out for?

After reading the book

Look at the photographs in the book. Which one is your favourite? Write or say why.

What have you learned about zebras by reading the book? Is there anything else

you want to know about zebras?
