ACTIVITIES

2 Make these sentences into the imperative!

You will learn from looking hard and thinking about what you see.

Look hard and think about what you see, then you will learn!

1 Can you tell me if this a small cup of water is from the Atlantic or the Niagara?

2 If you work hard you will be great!

3 You must start with easy questions.

4 If you bring a new chair in, then you have to take an old one out.

5 It is better if you remember things that are important.

6 They pay me to find answers to their questions.

TEST YOURSELF

Who said this?

Brigham Young - Jefferson Hope - John Ferrier
Lestrade - Lucy Ferrier - Tobias Gregson

- 1 You must come and tell him yourself. He will want to say thank you. He loves me and says he couldn't live if I died!

- 2 I'm taking these people to find a new place to live. You can come with us, but you will live like us and do what I tell you.

- 3 The boy and I opened the door and found Stangerson. He was near the open window. He was dead and cold.

- 4 I have to go away to the mountains, my beautiful girl, When I am back we will be man and wife. _____
- 5 I think my time has come! If I die now, or if I die in my bed twenty years from now, it is the same thing.

- 6 I have the answer to our mystery! His name is Arthur Charpentier. Mr Holmes listen to this, and you will learn something.

FOCUS ON...

Why did Dr. Watson come back from Afghanistan?

From 1878 to 1880, the British Raj (the British army overseas) and the Emirate of Afghanistan fought the Second Anglo–Afghan. This was the second time British India invaded Afghanistan and the war finished when the British won against the Afghan rebels. The Afghan tribes could maintain internal rule and local habits but they had to leave their control of the area's foreign relations to the British, who, in turn, guaranteed the area's freedom from foreign military domination.
